Other comments regarding behavior:

Reason for relinquishing:

I certify that this dog **has not bitten** a human and is not under any quarantine restrictions _____ initials.

I do hereby **release full ownership** of my dog to Corgi Rescue of Eastern New York (known as CRENY in this document). I understand that with this instrument the dog becomes the property of CRENY.

I also agree that no legal liability will befall the CRENY, either by this owner or any previously unknown owners.

I will make no attempt to reclaim my dog, although I am welcome to contact CRENY to see how my dog is doing.

I fully grant CRENY the right to give my dog any medical treatment deemed necessary and to place the dog in an approved adoptive home. Should a vet determine my dog is too ill to be treated, I give CRENY the right to put said dog humanely to sleep.

I release CRENY, from all liability, legal or otherwise concerning said animal. CRENY will make every attempt to provide adequate foster care, but is not liable for any action of said animal or accident sustained.

I give permission to CRENY and its volunteers to contact my veterinarian regarding my corgi. I give my veterinarian permission to provide copies of my corgis health records for use by CRENY and the new owner, and their veterinarian.

I hereby state that I am giving up my dog of my own free will. It is also noted that Corgi Rescue of Eastern New York will not be accused of stealing or forcing the giving up of any animal turned over, by myself, to CRENY

By signing this agreement, I fully understand and accept the terms of this Owners Surrender Agreement.

Owner's Signature

If completing online, please type name above, your email will act as your electronic signature until the original is presented at the time of the surrender.

Please have all registrations & microchip transfer forms signed, original vet records, etc. available at the time of the surrender.

Any items such as a crate, toys, medicine, etc that comes with the dog will go with the corgi to their new home.
